## THE STATE OF NEW HAMPSHIRE.

---

[L. S.]

To the Inhabitants of the Town of Epsom in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epsom on Tuesday, the eighth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To elect three selectmen; one for three years, one for two years, and one for one year.
4. To see if the town will vote to accept the provisions of chapter 117, Laws of 1917, on a section of the Central and Suncook Valley Road, so called, and appropriate the sum of five hundred dollars for this purpose.
5. To see if the town will vote to accept state aid construction and raise and appropriate the sum of one thousand and twenty-one dollars and fifty cents to be expended with four hundred and eight dollars and forty cents appropriated by state.

6. To see if the town will vote to raise and appropriate eleven hundred and sixty-nine dollars and seventy-eight cents, the state to give as much or more in order to have the necessary funds to complete the present federal job and the new project that has not been started.

7. To see if the town will vote to accept state aid maintenance and raise and appropriate four hundred and fifty dollars to be expended with four hundred and fifty dollars appropriated by the state.

8. To see if the town will vote to accept trunk line aid and raise and appropriate the sum of five hundred and sixty dollars to be expended with eight hundred and forty dollars appropriated by the state.

9. To see if the town will vote to raise and appropriate the sum of seventy-five dollars for the observance of Memorial Day.

10. To see what sum of money the town will vote to raise and appropriate for Old Home Day.

11. To see if the town will vote to appropriate a sum of money to be used in exterminating the white pine blister rust.

12. To see what sum of money the town will raise and appropriate to repair the town hall.

13. To bring in your ballots upon each of the questions submitted by the Convention to Revise the Constitution relative to the amendments proposed by said Convention at a session held on January 28, 1921.

14. To see if the town will vote to give a discount of three per cent. on taxes paid before July first.

15. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and twenty-one.

FRANK E. BROWN,

JOHN C. BROWN,

FRED W. YEATON,

Selectmen of Epsom.

A true copy of warrant—Attest:

FRANK E. BROWN,

JOHN C. BROWN,

FRED W. YEATON,

Selectmen of Epsom.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS FOR THE YEAR ENDING AUGUST 31, 1920.

---

TO THE SCHOOL BOARD AND CITIZENS:

I herewith submit my first annual report of the schools of Epsom.

The school home is an important factor in the education of the child, and its influence leaves a lasting impression upon the mind either for the beautiful or for the ugly.

It has been truthfully said: "The public school is the place to which we should turn chief attention in our effort to promote a more beautiful life in America. The school house and school grounds should be beautiful and the child should be surrounded by beauty in the school room from first to last. Trained in the habit of seeing beauty and knowing it, he will come instinctively to hate ugliness in the house and in the street as he goes out in life."

Many school homes in New Hampshire are unattractive and unsanitary. The school grounds are often badly located. It would seem in some instances that ground that could not be used for anything else, because of its poor location, was chosen for a school ground.

To do good mental work, the child needs clean, well heated, properly lighted and ventilated school buildings and beautiful surroundings. Whittier, feeling the absence of these beneficent influences which broaden and ennoble life and enrich human experience, said:

"Still sits the school-house by the road,  
A ragged beggar sunning."

It is the duty of every citizen to use his influence for

attractive school homes, located on beautiful grounds. The child having gone to school amid beautiful surroundings will look back with pride and say with the poet Schiller, "It is only through the morning gate of the beautiful that you can penetrate into the realm of knowledge. That which we feel here as beauty, we shall know one day as truth."

The Educational Act of March, 1919, demands that schools shall be maintained in "suitable and sanitary buildings."

Early in July the members of the School Board and Superintendent inspected all the school buildings in the district to find out what alterations and improvements were necessary to be made to meet the requirements of this Act, as explained in a circular issued by the State Board of Education.

Plans and specifications of alterations and improvements were made and sent to the State Board for its approval and were carried out as described in the report of the School Board.

#### TEACHERS AND SALARIES.

During the year there were three changes made in the teaching force. At New Rye School, Irene V. Ramsdell resigned and Margaret W. Haynes was elected to take her place. At New Orchard, Minnie E. Rollins was obliged to give up her work on account of illness and Adda Lake was appointed as a substitute for the winter term. Hazel Chase was elected teacher and began her work March 22.

The salaries of teachers were increased, but not in proportion to the increase in the cost of living.

The United States Bureau of Labor Statistics made this startling report: "That the cost of living had risen to such an extent that if we considered it as having been 100 in December, 1914, it was 204 in December, 1919. In

other words, the daily necessities of life bought for \$100 at the end of 1914 would have cost \$204 at the end of 1919."

A few years ago the teacher's salary of one school was the same amount as is now paid for board by the teacher of that school.

Most of the schools were well governed and made a commendable degree of progress. The extremely unfavorable weather conditions caused a low per cent. of attendance in some of our schools.

#### HEALTH AND PHYSICAL WELFARE.

Dr. Roscoe Hill was appointed Inspector of Child Health and Welfare. Dr. Hill made a careful examination of the pupils' physical condition including tests upon the eyes, ears, throat, lungs, etc. All tests were made as the law provides, and recorded upon prescribed forms. Dr. Hill's report is herein printed:

#### HEALTH SUPERVISION—DISTRICT SUMMARY.

School District of Epsom, N. H.

Examiner, Roscoe Hill, M. D.

Number of pupils examined, 80.

	No. Cases Found by Examiner	No. Cases Reported to Parents by Examiner	No. Cases in which Treatment was Secured

Members School Board.

## REPAIRS TO SCHOOLHOUSES.

---

The School Board desires to submit the following report on repairs made to schoolhouses during the summer of 1920:

An effort was made to so repair and improve the school buildings as to bring them up to practically the standards required by the Educational Act of March, 1919.

A total of \$828.41 has been expended for this purpose. Of this amount, \$450.46 was paid to W. F. and W. P. Call for the work involved in making the repairs, for which a bill of 829 hours was rendered. The sum of \$270.35 was paid for the stock and supplies used by the carpenters, while the balance, \$107.60, covered the expense of new window shades.

All five schoolhouses are now suitably equipped with shades, which are of the light tint color specified by law.

Somewhat more effort was expended on the Gossville and Short Falls schoolhouses than on the other three, partly because these seem certain to be the buildings which will be the most extensively used in the future; partly, too, because in the case of the former, extensive repairs were sorely needed, while at the latter a spacious supply room (not a closet) was partitioned off from one corner of the schoolroom. Equipped with numerous roomy shelves, this supply room ought easily to permit of ample space for all books and supplies that it is necessary or convenient to store there.

Prior to any other operations, the interiors of all the schoolhouses were thoroughly cleaned. Wood-work and walls were painted a light color. Ceilings were white-washed, and plastered where necessary. All seats and

desks were varnished. Blackboards were painted. Glass was reset in windows. Stove funnels were cleaned. Floors, platforms, and other wood-work were patched or entirely replaced with new lumber, and the floors at Gossville and Short Falls were oiled. Outhouses were repaired and painted, and vaults were cleaned.

The net result has been to make the school buildings much cleaner, more attractive, and more serviceable.

JOHN G. CHESLEY,  
SAMUEL R. YEATON,  
WALTER H. TRIPP,  
Members School Board.

# VITAL STATISTICS.

Births Registered in the Town of Epsom for the Year ending December 31, 1920.
